

NEW PRODUCT RELEASE NOTIFICATION

Product Launch Date: 12 November 2018
Product Type: Designer Series New Pre Primed 150mm Fixed Grille
Primary Brand : MANROSE
Product Range: Designer Series Grilles

Colour Your World! – Design styling and sophistication just took a great step forward with the NEW addition to the pre-primed range of Manrose Designer Series exterior weatherproof cowls.

Manrose understands that accessory colour is an important element in great exterior design and so we have worked with professional plastic coating specialists to solve the need in New Zealand.

Manrose are adding to the innovative range of Designer Series weatherproof cowls to complement the growing need for colour choice in your accessories, with the 150mm Fixed Grille now receiving the pre primed treatment. The pre primed fixed louvre grille can be painted on site with any customer purchased colour you choose to match or contrast your exterior.

We can also offer a wide range of pre-finished custom colours for project quantity orders over 30 units.

Designers can now create bold and stylish exterior design, with contrasting elements.
