Original Packaging

New Packaging

Timing:

We are currently out of FAN2200 but expect to be back in stock in early November 2018.

Temporary Replacement Product:

In the mean time you can use using the FAN2162-Manrose Classic Heat 'n' Vent 2. This unit has the same cut out as the FAN2200 but also includes a fan. The FAN2162 has also been recently upgraded to include LED lighting.
