Simple Black just got easier!!

New Manrose Pro Series injection moulded Black Grilles and Cowls create a new mid –level option for the demand for black interior and exterior accessories.

The new range complements the design styling and sophisticated matt black surface finish delivered by the highly sort after Manrose Designer Series Matt Black range.

Additionally the new range of 5 items also supplements the finish flexibility delivered by the Manrose Designer Series Pre-primed range.

Features :

- Solid black injection moulded material
- New range of 5 items being –
- Weatherproof Cowl 150mm
- Exterior Gravity Grille 150mm
- Round Grille 150mm
- Square Grille 150mm
- Fixed Louvre Grille 150mm

Applications:

Developed for demand from consumers, designers and the trades who seek a mid-level range of black accessories

Packaging –

The grilles and cowls will be in hang sell bags and header cards
