JOBSITE BACKPACK

48228200

OVERVIEW

The Milwaukee® Jobsite Backpack was designed with the professional tradespeople in mind and built with durable 1680D ballistic nylon material and an impact-resistant and water-resistant molded base. The jobsite backpack features a padded, breathable load-bearing harness for ultimate comfort and job site performance, as well as a laptop pocket for protected storage of laptops and tablets. A fold-down front pocket allows for easy storage of large items such as fish tapes, drills and extension cords, while exterior daisy chains allow for additional clip-on storage. This combination of extreme durability and functionality confirms Milwaukee®'s commitment to providing innovative, durable storage solutions to the end user.

FEATURES

- 35 pockets for organising tools.
- Impact-resistant molded base: protects contents and allows backpack to stand up.
- 1680D ballistic nylon material.
- Load-bearing harness: padded and breathable for all-day comfort.
- Laptop sleeve: supports laptops up to 15.6".
- Bulk pocket: quick access to bulk items such as fish tapes and power tools.
- Attachment strap: allows bag to be easily and securely attached to vertical handles.

* Tools not included.

PADDED AND BREATHABLE FOR ALL-DAY COMFORT
