OVERVIEW

All INKZALL™ Liquid Paint Markers feature a durable acrylic nib that can write on the dirtiest, hottest and roughest of surfaces. Proprietary paint developed specifically for INKZALL™ Liquid Paint Markers can mark on surfaces up to 149°C (300°F) and dries in 10 seconds.

FEATURES

- Writes on dirtiest, hottest, roughest surfaces.
- Durable acrylic nib.
- Water-resistant and UV-resistant markings.
- 10-second dry time.
- Marks on surfaces up to 149°C (300°F).
- Valve-action marker.

INKZALL™ JOBSITE HIGHLIGHTER

48223201	INKZALL™ Yellow Jobsite Highlighter (5 Pack)
48223206	INKZALL™ Colour Jobsite Highlighter (5 Piece)

OVERVIEW

Milwaukee® INKZALL™ Jobsite Highlighters are designed for job site performance. The durable tip stays sharp longer for extended marking and tracking. Bleed-resistant ink dries quickly and resists smears. Extended cap-off time allows for long life.

FEATURES

- Durable tip.
- Long cap-off life.
- Bleed-resistant and smear-resistant.
- Chisel tip.
- Quick dry time.
- Anti-roll design.
- Hard hat clip.
