

M18™ CUT OUT TOOL (TOOL ONLY)

M18BCT-0

The M18 Cut Out Tool utilises a 4-Pole motor to deliver faster cuts than other tools in the market. The REDLINK Intelligence provides overload protection to defend against abusive situations. The REDLITHIUM-ION 3.0Ah battery (not included) provides up to 120 cuts per charge. The best in class ergonomics allow for increased comfort during all day work.
