

PACKOUT™ COMPACT ORGANISER

48228435

The PACKOUT Organiser and PACKOUT Compact Organiser are designed to securely stack and transport on top of any PACKOUT tool boxes. Each includes small and large removable bins that can be mounted on common jobsite materials by utilising integrated screw slots. A No-Travel Bin seal around the perimeter of each bin prevents small items from migrating from one bin to the other. Each utilises impact resistant polymers and is IP 65 rated to prevent damage from water and jobsite debris.

FEATURES

- ✓ No Travel Bin Seals: Seals each bin, preventing contents from shifting between bins during transport.
- ✓ IP 65 Rated Seal: Helps prevent damage from water and job site debris.
- ✓ Removable & Mountable Bins: Removable bins mount to job site material with common screws or nails.
- ✓ Impact Resistant Polymer Construction: Designed to be the most durable.
- ✓ Part of the PACKOUT™ System: Connects to all Milwaukee™ modular storage.
