

LOW PROFILE BACKPACK

48228202

The Low-Profile Backpack is durable with a low profile design. The backpack is constructed of 1680D ballistic material and rugged metal zippers providing unmatched durability for a longer life. With 22 pockets including a padded electronic sleeve, the backpack provides ultimate organization. The padded and breathable load-bearing harness evenly distributes the weight for unsurpassed comfort and jobsite performance with more padding than competitive units.

FEATURES
