

# M18 FUEL™ COMPACT BAND SAW

M18FBS85-0

Our M18 FUEL™ Compact Band Saw offers a light-weight, balanced design with the cutting capacity of 82.6mm for maximum productivity. The M18 FUEL™ Compact Band Saw utilises POWERSTATE™ Brushless motor and Constant Power Technology to cut at maximum speed. It protects your tool from drops and debris with a proprietary composite material and crush zone barriers to absorb impacts. REDLITHIUM™-ION Battery Technology (not included) provides more run-time through superior pack construction, electronics, and more work per charge over the life of the battery than any competitive lithium-ion battery on the market. REDLINK™ PLUS Intelligence has the most advanced system of cordless power tool electronics, providing you with optimised performance, electronic clutch, and overload protection using total system communication between tool, battery, and charger. The compact band saw features a tool-free locking adjustable shoe that can adjust from an extended shoe to no shoe in seconds. The band saw also includes a hanging hook for easy storage in-between cuts, variable speed trigger, LED light to illuminate your cutting area, superior cut visibility, and balanced body design.

## FEATURES

- Lightweight, balanced body design at 3.49kg for maximum control and versatility of applications
- POWERSTATE™ brushless motor: increased cutting speed and power through the toughest applications
- Maintains cut speed in the toughest applications for optimal performance
- Variable speed trigger provides maximum speed control

## SPECIFICATIONS

<b>PLATFORM</b>	M18 FUEL™
<b>SMPM (SURFACE METRES PER MINUTE)</b>	0-164.5
<b>BLADE LENGTH</b>	898.5mm
<b>CUT CAPACITY</b>	82.6mm
<b>TYPE 1 GUARD</b>	Cordless
<b>VARIABLE SPEED TRIGGER</b>	Yes
