

# 4.5KG (10LBS) INTERCHANGEABLE TOOL LANYARD

48228820

MILWAUKEE 4.5kg (10lb) Quick-Connect Locking Tool Lanyard helps users stay safe and stay productive while working at heights by reducing the risks associated with dropped tools. Featuring a carabiner on both ends for fast swaps between tools. The lanyard body is engineered to provide the best shock absorption, slowing the tool gradually if a drop occurs. Locking carabiners require double actions to open, ensuring a secure connection. Integrated swivel reduces twists when rotating tools. Integrated swiveling carabiner reduces twists when using tools. The red colour coded lanyard allows the user to easily identify the lanyard's weight rating. Use with MILWAUKEE Quick-Connect Accessories for maximum productivity. For use with tools up to 4.5kg (10lb).
