

M18™ 5.0AH REDLITHIUM™-ION STARTER PACK

M18SP-501B

The M18 5.0Ah REDLITHIUM-ION battery features superior pack construction, electronics, and performance to deliver more work per charge and more work over the life of the pack than any battery on the market.

M18 5.0Ah REDLITHIUM-ION battery features an advanced design, protecting the pack against harsh jobsite environments. This protection routes water away from the electronics and out of the battery pack, extends run-time and life by minimising heat, and prevents pack failures from vibration or drops. This unique to MILWAUKEE design also allows the battery to operate in extreme cold weather conditions (below 0°F/-18°C). Managed by MILWAUKEE's exclusive REDLINK Intelligence, the battery features overload protection to prevent you from damaging your cordless power tools in heavy-duty situations, while the discharge protection prevents cell damage. It also provides full system compatibility with 150+ M18 cordless solutions. Upgrade to the M18 5.0Ah REDLITHIUM-ION battery to instantly increase the run-time and durability of your M18 cordless tools.

FEATURES

- ❑ REDLINK™ Intelligence: Provides optimised performance and overload protection using total system communication between tool, battery and charger.
- ❑ Best-in-class construction: Offers long-lasting performance and durability.
- ❑ Fuel gauge onboard: Displays remaining runtime for less downtime on the job.
- ❑ All-weather performance: Delivers fade free power in extreme jobsite conditions.
- ❑ Add any M18™ Tool-Only Option to Build Your Own Kit.
