

CRC 5.56 Anti Rust
400g Aerosol Can 12 oz Aerosol Can

Model	Price (RM)
5005	

CRC 5.56 frees rusted parts, displaces moisture, lubricates and protects against further corrosions. Makes nearly everything works better.

CRC Power Lube
312g Aerosol Can

Model	Price (RM)
05006	

Multi-purpose lubricant
- Penetrates fast/Stops squeaks
- Plastic safe and odor free
- Concentrated - clings for longlasting lubrication and protection

Gasket Stripper
300g Aerosol Can

Model	Price (RM)
5021	

A new formulation developed for the easy removal of tough bonded gaskets regardless of age or adhesion resistance.

TAC-2 Chain Lubricant
300g Aerosol Can

Model	Price (RM)
5035	

CRC TAC-2 resists cold, hot and saltwater wash off and high temperature sling-off. CRC TAC-2 reduces wear and friction and istable and long lasting.

White Lithium Grease (Teflon) 300g Aerosol Can

Model	Price (RM)
5037	

CRC White Lithium Grease contains an advanced additive package for superior lubrication. CRC White Lithium Grease is the ideal lubricant and protectant for all applications in automotive, workshop/factory and home.

Aerostart
300g Aerosol Can

Model	Price (RM)
5051	

Aerostart is a combination of a number of ingredients each playing a vital part. It has powerful anti-corrosive and anti-knock qualities. The ingredients are carefully blended to ensure the correct type of initial starting in the combustion chamber and to promote immediate combustion.

Maniseal Exhaust Cement
145g Tube

Model	Price (RM)
5061	

CRC Maniseal Exhaust Cement seals off leaks that come from the exhaust system and are drawn into the car by its motion. It seals at the manifold flange and gasket, or ends of the muffler.

Aeroclean Degreaser
400g Aerosol Can

Model	Price (RM)
5070	

CRC Aeroclean Degreaser delivers a high impact concentrated jet of a unique formulation which combines blended surfactants, detergents and solvents designed to degrease and clean fast.

Clean-R-Carb
400g Aerosol Can

Model	Price (RM)
5081	

CRC Clean-R-Carb is a product engineered to maximise carburettor performance and control pollution. CRC Clean-R-Carb is an effective in-place cleaner that removes deposits, gum, varnish, lacquer, resin, paraffin, metallic salts, oil oxides, tar and gasoline stains. Will not harm catalytic converters or oxygen sensors.

Brakleen
500g Aerosol Can

Model	Price (RM)
5089	

CRC Brakleen is formulated to quickly and safely remove brake fluid, grease, oil and other contaminants from brake linings, pads, drums and calipers. CRC Brakleen is non-staining, non-corrosive and leaves no residue. CRC Brakleen safety settles and removes asbestos dust from brake assemblies, preventing inhalation of airborne particles. CRC Brakleen does not contain CFC 113, Methyl Chloroform, Carbon Tetrachloride or Silicones.

Battery Maintenance
300g Aerosol Can

Model	Price (RM)
5097	

CRC Battery Maintenance is an engineered product for the re-moval of acid corrosion, deposits, electrolytes, dirt and moisture from battery surfaces. CRC Battery Maintenance penetrates, loosens and neutralises acid corrosion deposits. It assures maximum battery flow and promotes longer battery life.

Battery Terminal Protector
300g Aerosol Can

Model	Price (RM)
5098	

CRC Battery Terminal Protector is specially designed to protect battery terminals from corrosion which is a major cause of hard starting and battery failure. CRC Battery Terminal Protector prolongs battery life and assures easier starting. Ideal for marine applications as it is highly resistant to saltwater and salt spray.
