# INTRODUCING STKS BY BOLLÉ SAFETY!

**STKS (pronounced “Sticks”) are the latest range to be added to the Bollé Safety family.**

**They are on point for the youth of trade, mining and construction industries. Matched to their favourite fashion brands and how they see themselves on social media. While that may not be every one of them, phone media is so far reaching and persuasive, it influences those outside of the everyday scroll and swipe tribe, just like leading fashion brands and music genres did for us.**

INTRODUCING STKS BY BOLLÉ SAFETY!

**01.** **ECO-FRIENDLY**  
MATERIALS

**Crafted with over 65% recycled polycarbonate, the STKS range is designed with sustainability in mind.**

**02.** **ADVANCED**  
PROTECTION

**Including our exclusive PLATINUM double-sided anti-scratch and anti-fog coating. POLARISED lens technology offers enhanced colour perception and reduced glare.**

**03.** **SAFETY**  
FIRST

**Stylish design with integrated clear side-shields. Certified to AS/NZS standard for Medium Impact Protection.**

# STKS 410
