- Size: XS, S, M, L, XL, 2XL, 3XL
- Colour: Grey/Black
- EN 388:2016 4131X
- EN 407 X1XXXX

Product Details

A premium technical glove developed for maximum precision & longevity in performing demanding tasks. Micro foam Nitrile coated glove offers super grip with 360 breathability to keep your hands from sweating all day

Features and Benefits

- 360° breathability - micro-foam nitrile coating offers 360° breathability.
- 25,0000 abrasion performance for longevity and increased cycle rate performance
- Thinner - than most foam nitrile gloves on the market whilst offering twice the mechanical performance.
- Form, fit and feel - mimics the “hand at rest”, reducing hand fatigue and increasing comfort.
- Latest knitting technology - utilized to produce smooth and rounded fingertips, improving fingertip sensitivity.
- Consistent liner penetration - from the nitrile, leaving only the soft liner resting against the skin.
- Optimized grip delivered through our micro-cup finish allows for a controlled grip. Our GripTech® “micro-cup” finish enhances grip properties making parts are handled more securely. In addition, it reduces hand fatigue associated with a lack of a proper grip.

Duty&reg has outstanding durability withstanding 25,000 abrasive cycles per millimetre.

Applications:

- DIY
- Finishing and inspection
- Gardening
- Handling of small components
- Primary, secondary and final assembly
- Maintenance
- Logistics and warehousing
- Using tools and instruments
- Wiring operations
