
GLOW FISH TAPE

Fully removable 20-foot glow tape
for increased functionality

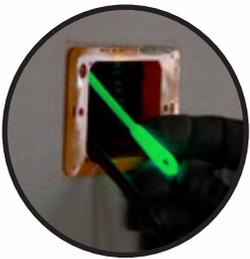

Patent Pending

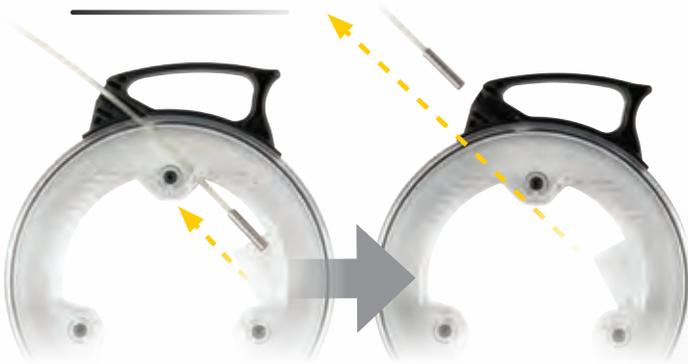

GLOW FISH TAPE

Klein Tools' first fully glow-in-the-dark fish tape. The unique clear case permits ambient light to easily charge the glow tape and tip, providing a bright glow for use in low light. The fiberglass tape is fully removable from case for wall cavity, drop ceiling, and conduit pass through feeding. The anchor end features a stainless-steel fish rod connector for use with our fish rod accessories, allowing this fish tape to also function as a super-flex glow rod. An optimal fish tape for installing wire or cable behind walls and ceilings, in short box-to-box runs and branch circuits, or in flexible tubing. This fish tape's compact size makes it a great addition to your everyday tool bag.

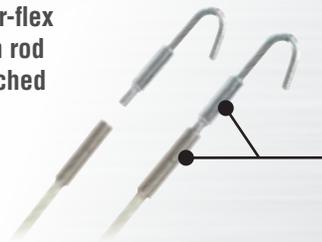

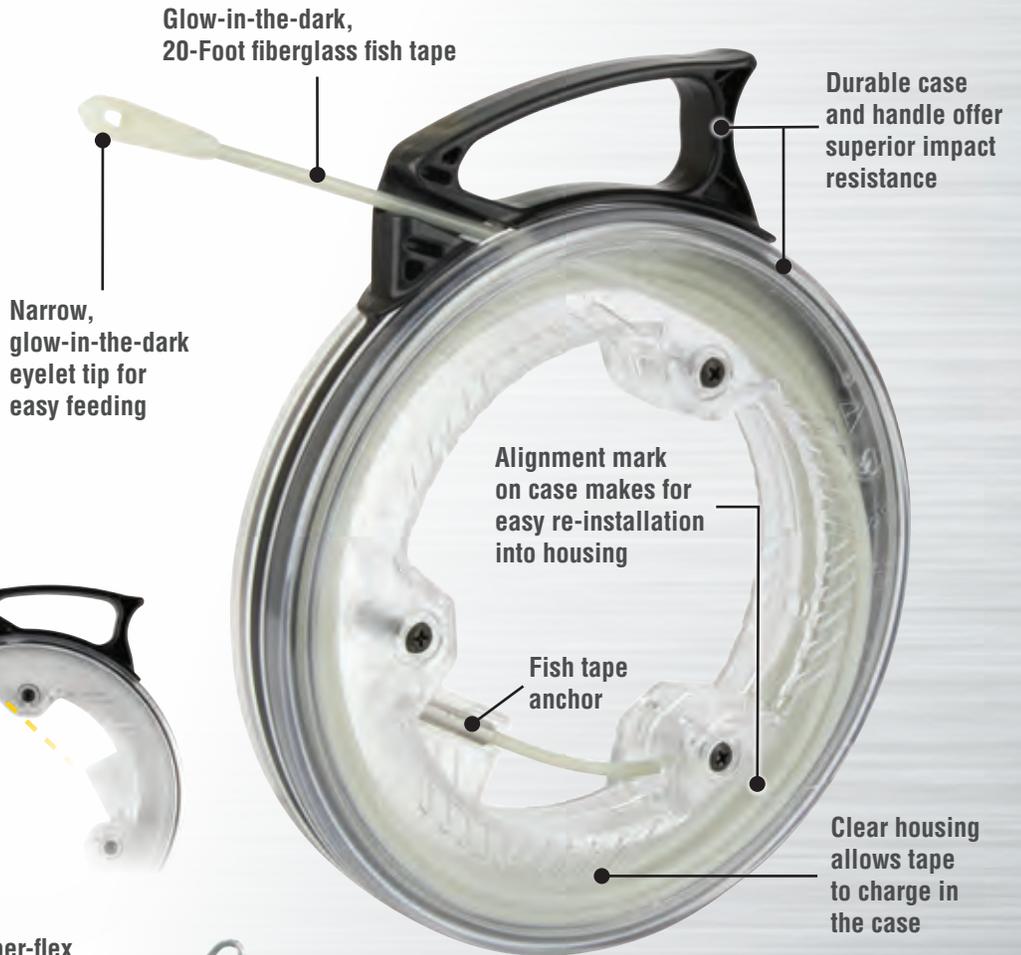

EASILY SPOT THE GLOW, BULLET TIP

FULLY REMOVABLE FROM CASE FOR MORE VERSATILE APPLICATION

Doubles as a super-flex glow rod when fish rod attachment is attached

Anchoring end utilizes stainless steel connector - compatible with Klein Fish Rod attachments (see Cat. No. 56511)
